GB Junior Trials

Lydia, Nick and Angus attended Spring Assessment camp at Nottingham (with Nick and Neil coaching at various times). These three, along with Sam Knight and Ollie Tomalin will be attending the GB Junior Small Boats Regatta at Dorney on Sun 26th April.

At Tideway Head the juniors missed winning the novice pennant by only 2.5 seconds finishing 133rd overall, exactly the same as the girls had a week earlier. The senior 2 VIII was much improved from Kingston Head and finished 175th. The Brooks VIII that finished 6th contained two of our recent juniors, Matt Tarrent and Lewis Knollman, congratulations to them.

At Kingston Head the J14 'A' quad lead the way beating 11 other crews including our 'B' quad to win their event

The junior girls eight came 133rd overall in the Women's Head, beating many of the senior crews in the process. The J14 Octuple sculled well at the National Sculling Head, many of whom are J13, so we're aiming to win it next year! At the same event the WJ16 4x came 5th which hopefully should get them Inter-Regional Team selection. Also there was a very good row from the four at the Schools Head coming 7th overall, and three of them are still J16's
