

National Championships and beyond.... (Photos added)

BOYS FOUR ARE NATIONAL CHAMPIONS

Alex Jones, Sam Knight, Liam Maloney and James Capel, rowing as a composite with St Georges College, won the gold medal in J16 coxless fours at the National Championships. The crew qualified fastest from the heats and then dominated the final, being more than two lengths clear of the field by 500m and holding a commanding lead through to the finish.

The girls J16 four of Catherine Bawtree, Kat Tviet, Julia Clarke, Joanna Fish, and cox Holly Jones did very well to qualify for the final and finish 5th overall

TWO GO TO JUNIOR WORLD CHAMPIONSHIPS

Nick Clarke performed brilliantly at final trials to win all his key seat races and get selected for the Junior Worlds team. He is scheduled to row in the coxless pair.

Walton Captain and Junior Coach, Nick De Cata has also been selected to go as coach to the girls quad. The Junior World Championships are at Brive in France from Aug 5-8th

SAM & MATT SELECTED FOR GB-FRANCE

Sam Knight and Matt Wade won the Great Britain J16 trials in the double sculls to get selected for the GB-France match in Cardiff. This is Sam's first GB vest, and Matt is already an experienced International having won this event last year in France with Angus Groom.

MATT TARRANT

Matt Tarrant, a recent product of our youth squad, has had a great finish to his season winning the Prince Albert Challenge Cup at Henley Royal for Oxford Brooks and representing GB at the U23 World Champs in Racice, Czech Republic, a venue some of us remember with fondness.
