

## International successes

### WORLD BRONZE FOR MATT

Congratulations to Matt Tarrant, who was in the three seat of the GB eight that won the Bronze medal at the World U23 Championships in Belarus this week. The first three crews pulled away from the field, and in a close finish, Germany got the gold, and USA the silver, just ahead of GB. This medal adds to Matt's silver from the Junior Worlds in 2008, and he is hoping to make the breakthrough to the Senior Team in the next few years to complete the set!

### 3 MORE GB REPRESENTATIVES

Sam Knight is competing in the GB quad at the Coupe de Jeunesse in Belgium this week-end.

Angus Groom is in the Junior Worlds quad, and will be competing in Racice, Czech Republic the following week.

Nick de Cata is coaching the Junior Worlds boys coxed four too.

Best of luck to all of them, from everyone at Walton RC
