

Great Results at Fours Head 2010

Two crews in the top 30 out of over 500 entries is an amazing achievement, and puts Walton in the company of Leander, London, Imperial College, Tideway Scullers, Oxford University, Durham University and Molesey! The junior quad of Samuel Knight, Harry Lonergan, Elliot Tarrant and Oliver Knight were an amazing 18th overall, despite a slower boat crashing into them during the race. The lightweight quad of Neil West, Josh Wedlake, Sam Wilson and Sam Lee-Gill came 29th overall. The girls quad of Julia Clarke, Annie Withers, Sam Ball and Hannah Traylen were seventh in their class in 21.20.

In the Veterans Fours Head, the C quad were 4th overall and the composite women's C quad were second in their event. The Novice Masters in their first fours race got the best result, winning their class in a time of 22.15
