

## ANOTHER FIVE SELECTED FOR ENGLAND TEAM

Superb performances at the British Championships have led to Walton providing both the senior and junior double sculls for the Home International Regatta at Strathclyde Park on 24th July. Sam Knight & Sam Wilson are the Senior Open-weight double - very impressive for a junior and a light-weight! Sam Mottram and Callum Gathercole are equally impressive, getting selected for J18, when they are both still J16.

Annie Withers is also selected in the girls eight after her performances at the national trials.

Best of luck in Scotland from everyone at Walton!
