

TWO GOLDS AND A BRONZE AT HOME INTERNATIONALS (More photos added)

Sams Knight and Wilson won a bronze in Senior double sculls at Strathclyde Park in Scotland at the week-end and Annie Withers finished her junior career on a high, winning the girls eight gold medal.

The best performance of the regatta came from our J16's Callum Gathercole and Sam Mottram, racing in the J18 doubles event. They put in a fantastic race, trailing just behind the Irish through the middle of the race, then putting in a great finish to win by 3 feet. Their time of 6:43.25 is absolutely stunning, and as far as we are aware is the fastest ever recorded in the UK by a J16 double.
