

Top Club at Pairs Head 2011 (new photo)

Walton had an incredible seven wins at the Pairs Head. Top of the pile were Lightweight winners Sam Lee-Gill and Sam Wilson who came 8th overall. The club dominated at junior level, winning the doubles with Oli Knight and James Rudkin; the pairs with Morgan Bolding and Elliot Tarrant; and the women's doubles with Katy Denham and Hannah Paremain. The older generation were just as convincing, with Richard Thiemann and Mike Everington jointly winning MasD pairs, Neil West and Glyn Groom winning MasD doubles, and Ali Jackson and Steve Heywood winning mixed masters doubles too. All our other entries came in the top few in their divisions to record Walton's best ever results in this event.
